SIR,

SUBJECT: Representations from Sri S.Ganapathisundaram

I am directed to state that Sri S. Ganapatisundaram, Second Additional District and Sessions Judge, Bangalore, submitted a reference to the High Court on 10-12-1949, requesting that the High Court may be pleased to recommend to the Government for an extension of his services as District and Sessions Judge till 21-12-1952, so that he might have the benefit of increased pension. He also submitted another representation on the same day praying that if, for any reason it is not possible to grant his prayer regarding the extension of his services, he might be granted at least leave for a period of 4 months on full pay as District and Sessions Judge with effect from 26-12-1949.

2. Sri Ganapatisundaram again submitted another representation on 8-2-1950 stating that when he wrote on 10-12-1949 he was not aware that an officer was entitled to 6 months leave. He followed this up with another representation dated 28-2-1950 stating therein that the leave applied for by him in his letter of the 10th December 1949, had not been granted and as such he presumed that even if he had applied earlier for 6 months' leave on full pay, his leave for the longer period also would not have been sanctioned on the same grounds on which leave was not granted for 4 months with effect from 26-12-49 He urged therefore that this bona fide mistake on his part in not applying for 6 months' leave on full pay prior to 26-10-1949, should

Sir,

I have the honour to submit the following representation for the sympathetic and favourable consideration of the High Court.

2. I have to bring to your kind notice that if Retrocession had not taken place, I would have in the normal course become the permanent District and Sessions Judge of C & M Station, Bangalore immediately after the reversion of Sri (now Justice) R. Puttaraj Urs from the post of District and Sessions Judge, C.& M.Station, Bangalore, to Mysore Service in 1947 as I was the next seniormost Judicial Officer in that Station at that time and the principle of localisation of all the Judicial posts in that Station had also been agreed upon by the Hon'ble the Resident in Mysore and the Government of India. In fact, my appointment as First Class Magistrate and Sri B.G. Kosalram's appointment as District Munsiff of C & M Station, Bangalore, with effect from 1-7-1944 go to show that the principle of localisation of the Judicial posts in C & M Station, Bangalore, had even been acted upon by the Government of India and the Hon'ble the Resident even as early as 1944. If I had been appointed as permanent District and Sessions Judge of C & M Station, Bangalore, in 1947, I would have put

in

in three years' service as permanent District and Sessions Judge till the date of my superannuation on 26-4-1950 and I would be eligible to get my full pension as a District and Sessions Judge on the basis of my salary as a permanent District and Sessions Judge for a period of three years prior to my retirement. I beg to respectfully submit that I should not be deprived of my pension as a permanent District and Sessions Judge for a period of three years prior to my retirment, merely because Retrocession has taken place. Since I have been absorbed in Mysore Service with effect from 1-12-48 and have been appointed District and Sessions Judge by the Government of Mysore from 20-1-1949, I request that the High Court may be pleased to recommend to Government the extension of my services as a District and Sessions Judge till 20-1-1952 so that I may have the benefit of a District Judge's pension in the last days of my life after retirement. I may add in this connection that I have put in nearly 27 years of loyal and efficient service under Government since 31-5-1923, that I have not taken more than 3 or 4 months' leave on the whole during the entire period of my service and that I am both physicially and mentally quite fit to discharge efficiently the duties of my present post. If my prayer is granted, I will have the additional satisfaction of having served the Mysore Durbar at least for a period of three years after my absorption in their service.

Yours faithfully,
Sd/- S. Ganapatisundaram,
IInd Additional District
and Sessions Judge.

Court therefore refused in the interest of work to recommend to the Government the grant of the leave applied for by the officer. According to Article 147 M.S.R. he is entitled to have the benefit of getting the leave so refused to him from the date of his superannuation, i.e., from 26-4-1950 for a period of 4 months, the ground of refusal being the requirement of his services as Second Additional District and Sessions Judge, Bangalore.

5. As regards his remaining prayer for grant of 6 months' leave on the ground that even if he had applied earlier for 6 months' leave on full pay before 26-10-1949, his leave for longer period would have been refused, I am to point out that this is only a presumption on the part of the officer. Further such a presumption is contrary to the rules contained in Article 147 M.S.R.

6. In the circumstances explained above, I am to request that the Government may be pleased to accord the necessary sanction, granting 4 months leave on full pay to Sri S. Ganapatisundaram as District and Sessions Judge with effect from 26-4-1950 under Article 147 M.S.R. The leave certificate dated 22-2-1950 received from the Comptroller to Government of Mysore, Bangalore, showing the amount of leave at the credit of the said officer, is enclosed for kind reference.

must be allowed to affect him prejudicially, especially in view of the fact that he had not taken more than 3 or 4 months' leave in all his service of nearly 27 years, and that he had not even enjoyed the summer recess during his long period of service excepting on very few occasions. He requested therefore that he may be granted 3 months leave on full pay as District and Sessions Judge from the date of his superannuation viz., 28-4-1950. The copies of representations received in this connection are herewith enclosed for reference.

3. As regards the first prayer of the Officer for granting extension of service by two years with effect from 28-4-1950, the matter does not now arise in view of the fact that the officer has already been ordered to retire from 28-4-1950 (vide G.O.No.9984-85/C3. 13-49-25 dated 3-2-1950).

4. The next point for consideration is Sri Ganapatisundaram's prayer that he may be granted 4 months' leave for which he had applied for with effect from 26-12-1949. In this connection I am to state that the leave for 4 months applied for by the officer on 10-12-1949 to take effect from 26-12-1949 could not be granted in the interest of public service. The state of work in the District and Sessions Court at Bangalore at that time was very heavy both on the civil and criminal sides and even the three Judges attached to that Court could not cope with the work. In my letter of the 13th December 1949, the state of work in that Court was brought to the kind notice of the Government and a request was therefore made to accord necessary sanction for the appointment of the third Additional District and Sessions Judge to that Court as a temporary measure for a period of 3 months from 2-1-1950. As the said recommendation of the High Court was still pending orders of Government when the officer applied for leave, the High Court thought that by permitting the officer to avail himself of the leave applied for, the work in that Court would natura-

Sir,

I have the honour to state that in my letter No.P-2 dated 10-12-1949, I had applied for leave for four months on full pay as District and Sessions Judge with effect from 26-12-1949 if for any reason it was not possible to grant me an extension of my services to enable me to earn the full pension of a permanent District and Sessions Judge. At the time I submitted my abovesaid application I was not well conversant with Mysore Government Leave rules as I was all along in the service of the Government of India till the date of Retrocession and was also governed by the Government of India Fundamental Leave Rules till 1-12-1948 and was under the bona fide mistaken impression that I was entitled to apply only for four months leave on full pay as District and Sessions Judge preparatory to retirement. Further I understand that generally Gazetted Officers in Mysore Government are usually informed at least six months prior to the date of their superannuation that their services would be terminated on the date of their superannuation with a view to enable them to apply for all the leave at their credit. As I received intimation

on or about 24-11-1949 only that my services would be terminated with effect from the date of my superannuation i.e. 26-4-1950, I was under the bona fide impression till about 24-11-1949 that my services would be extended by the Government of Mysore, particularly as I had been absorbed in Mysore Government service only so recently as 1-12-1948 and the Government had thought fit to promote me as District and Sessions Judge, at least for such period as would enable me to earn my full pension as a permanent District and Sessions Judge. It is in the above honest and bona fide belief that I applied for leave for 4 months only on 10-12-1948 as otherwise I would have applied much earlier for six months' leave on full pay as District and Sessions Judge with effect from 26-10-1949. Anyhow since the leave applied for by me in my letter No.P-2 dated 10-12-1949 has not been granted and since I understand now that I am eligible for not less than six months leave on full pay as District and Sessions Judge from the date of my superannuation, i.e. 26-4-1950, under Mysore Civil Service Regulations, I request that I may be granted at least six months' leave on full pay as District and Sessions Judge with effect from 26-4-1950, in case it is decided by the Government not to grant me an extension of my services. In this connection, I may state that I have not taken more than 3 or 4 months' leave on the whole during the entire period of my service for the past nearly 27 years and that I have not even availed myself of the summer recess during this

long period excepting on very rare occasions.

S i r,

Since the Government have directed in their Proceedings No. 9984-85/C.B. 16-49-25 dated 3-2-1950 a copy of which was sent to me with your endorsement R.O.C. No. 679/4900 dated 7-2-1950 that I should retire from service on 26-4-1950, I have the honour to invite a reference to my letters No. P-2 dated 10-12-1949 and No. P-3 dated 8-2-1950 and to request that I may be granted six months' leave on full pay as District and Sessions Judge with effect from 27-3-1950 or any other date which the High Court may deem convenient. I have already explained in my letter No. P-3 dated 8-2-1950 the reasons for my bona fide mistake in not applying for six months' leave on full pay as District and Sessions Judge with effect from 26-10-1949 and in applying only for four months' leave on full pay with effect from 24-12-1949. Anyhow since the leave applied for by me in my letter No. P-2 dated 10-12-1949 has not been granted, I venture to respectfully submit that even if I had applied earlier for six months' leave on full pay with effect from 26-10-1949 my leave for this longer period also would not have been sanctioned as the same considerations which weighed for not granting me four months' leave with effect from 26-12-1949 would have equally weighed for not granting me six months' leave with effect from 26-10-1949 and that my bonafide mistake in not applying for six months' leave on full pay with effect from 26-10-1949 prior to that date should not therefore be allowed to affect me prejudicially, particularly if it is taken into consideration that no extension of service has been granted to me to

SIR,

Dyno. 4014 Chief Minister 30/3/50

I am directed to refer to my letter of even number dated 6th March 1950, requesting that the Government may be pleased to accord necessary sanction granting 4 months leave on full pay to Sri S. Ganapathi Sundaram, acting District and Sessions Judge from 26-4-1950. I am to state that the period of four months leave calculated from 26-12-1949 to the date of retirement, namely 25-4-1950, of Sri Ganapathi Sundaram includes a portion of the ensuing summer vacation for the subordinate Civil Courts in the State from 3rd April 1950 to 13th May 1950 (both days inclusive). It is therefore now considered desirable that the officer can as well be permitted to utilise that portion of the vacation from 3rd April to 25th April 1950 which period may not therefore be treated as deferred leave. As regards the arrangements to be made for easing the congestion of work in the District and Sessions Court at Bangalore where the abovesaid officer is working as Second Additional District and Sessions Judge, other proposals are under the active consideration of the High Court and as such this officer will be permitted to utilise the ensuing summer vacation from 3rd to 25th April 1950 before he attains the age of superannuation on 26-4-1950.

Under the above circumstances, I am to request, that the Government may be pleased to accord necessary sanction granting 3 months and 8 days leave on full pay to Sri S. Ganapathi Sundaram

.as

as District and Sessions Judge with effect from 26-4-1950 under Article 147 M.S.R. instead of granting him 4 months such leave as previously recommended to Government in my letter of even number dated 6th March 1950 referred to above.
